St. Albert Remembrance Day 1964  
Three Minute Silence.

Council Meeting, Monday, November 16. Form of Government Councillor Bakker's motion from a previous meeting "that Council decide to adopt the manager form of government" was defeated, with Councillors Fowler, Kehling, McGee and Mayor Veness opposed, Councillors deBrujin, Stewart and Bakker in favour.

Secretary Treasurer Council decided to advertise for someone to fill the position of Secretary Treasurer.

Town Engineer Councillor Bakker's motion to hire a town engineer as soon as possible was carried. In favour were Councillor Bakker, Stewart, deBrujin and Kehling. Opposed were Mayor Veness, Councillors Fowler and McGee. Before advertising for this position, Council decided to contact a consultant company who will propose to council the type and cost of advertising.

Fence around Grandin Park Platform Rink Council decided to build a fence around the present free skating rink in Grandin Park. This rink will be used only for figure and free skating.

Parks Committee The Technical Advisory Committee will at least once a year sit as the Parks Committee, to talk over

the planning and general problems with the Parks Superintendent.

Communication Tower Mr. Landsborough, 96 Sunset Blvd., appeared before Council regarding his request for permission to build a communication tower on his lot for the use of his ham radio. The Development Control Officer, Mr. Jimmy Roberts, had given permission at first but changed his mind after he found that this tower was too big for a residential area. Some neighboring property owners had also sent a petition to Council opposing the building of this tower. After a lengthy discussion, Councillor Bakker moved that a permit not be given. Carried.

Location St. Albert Tennis Club It was proposed that the town arrange a lease with St. Albert Tennis Club for their playing facilities in Mission Park. Councillor deBrujin stated that he can't support the lease of public land to a private club, although he understood that the club needed good facilities very badly. He could agree, if the club was willing to be open for an unlimited number of members, but this is not what they ask. They want to restrict membership to a maximum of 200 members. Council referred this case back to the Technical Advisory Committee for further study.

Sanding Streets Councillor Bakker advised that the town should add a certain amount of salt to the sand to increase the effect of anti-slip. The town staff will study this proposal and report back to council.

OK Construction Claim of \$8,000. Altho' Council had already decided in a previous meeting not to pay the \$8,000. claim of OK Construction, the town solicitors will still have a meeting with Walker Newby, Mr. Billings and former councillor, Ed Powell, to discuss this claim which will be reported back to Council.

Dear Sir,  
My son and I want to take this opportunity to say "thank you" to our R.C.M.P. Last Wednesday, someone helped himself to a bicycle while my son was bowling at Shoppers Park. The boy walked home, naturally quite upset. We telephoned the local R.C.M.P. immediately, and within twenty minutes a smiling constable was at our door, with the recovered bicycle minus a handle-grip and with a flat tire but that was nothing, compared to the loss of a treasured bike. It was found abandoned near the highway over-pass. We think this was wonderful service and would like your readers to know about it.

There is something which puzzles us, however. It is this. At the RCMP office we learned that a number of bicycles found by them, lie unclaimed by their rightful owners. Surely, the first sensible thing to do when a bike or other valuable property is missed, is to call the police - yet this was not done in these cases. Also, my sons have found in the past year or so, two perfectly good girls' watches, both with broken straps. They reported their finds to

the police, and after several months waiting period during which no one claimed them, were permitted to keep their "loot". Again, surely the sensible thing for the owners to have done would have been to phone the police right away, instead of grieving over a loss.

Our RCMP are anxious to assist us when our property is lost, or stolen, but they can only do so when we report our losses promptly. Why not give them a chance to help us?

Sincerely,  
St. Albert Mother.

A floral demonstration was given to a group of ladies and Religious Sunday evening at 8:30 p.m. in the Church Hall. Mrs. des Rosiers of the House of Roses was asked to demonstrate various arrangements and techniques by Mrs. W. Merlin in charge of the Christmas Booth at the annual Church bazaar, November 22. Mrs. des Rosiers kept her audience fascinated as she made breathtakingly beautiful arrangements of mums, roses, corsages of carnations, roses and feathered mums of all colors and description. Replacing Mrs. Merlin, Mrs. B. O'Kell introduced Mrs. des Rosiers to the ladies. After the show of natural flowers, Mrs. des Rosiers proceeded on Christmas decorations in every way imaginable. ## UNITED CHURCH

Remembrance Sunday was observed at the 11 a.m. service on Sunday, November 8. Mr. Dale Irving, student assistant, and Mr. Hal Sambell, candidate for the ministry from St. Albert United Church, conducted the service which was well attended. Mr. & Mrs. Bob Crookery sang a duet and the choir presented an anthem. Mr. Gerald Crowdie was at the organ. At 2:30 p.m. a church parade was

held for the scouts, cubs, guides and brownies and their families and friends. This is the first such afternoon service and it became necessary because the growth of both various troops and the congregation made it impossible to hold the church parade at 11 a.m. A hymn sing followed the brief sermon preached by Dr. Schwarz. Mr. Crowdie was again at the organ. A pot luck supper was held by the Hi-C at 4:30 p.m. and they later went on a tour to the Al Raheef Mosque in Edmonton. The group had prepared for this tour by having a brief study on Islam and talking with a Pakistani family which graciously attended a Hi-C meeting. The Hi-C group, which has no counsellors, Mr. & Mrs. Bob McGuire, Mr. & Mrs. Bob Logan and Mr. & Mrs. Bob Murthie, meets bi-weekly, and is open to youth of high school age who are seeking friendships and social activities in a Christian context.

The Vesper services at the Indian School east of St. Albert, were conducted by Dr. Schwarz who was accompanied to the school by some interested members of the St. Albert congregation.

## ANGLICAN CHURCH

### Anglican Youth Success

A special highlight of the partnership program this year was experienced last Sunday evening by the young people of the parish, when they met together at the home of Mr. & Mrs. J. Vallie. About 30 young people enjoyed a candle-lit supper arranged by the special events committee. Members of the youth executive (Brent Vallie, Bob Ellia, Darlene Jewett and Joan Vallie) planned the arrangements at which Brent acted as Master of Ceremonies. A brief message from Mr. F. Glenfield on the partner-

ship program was followed by an encouraging statement on behalf of the parish vision committee from its chairman, Mr. Bob Jickling. Part of the evenings' program, which concluded with a sock dance, involved the use of an interest finder; the results of which will be vital to the planning of future programs. Present with the Rev. J. Dawkin was Mr. Don Knowles who will be acting as a guide and counsellor for the parish youth program. Working closely with the pastor, his wide experience in youth work assures the parish of wise guidance in this new and important area of parish concern.

EVERY WEDNESDAY

**BINGO**

By acclamation, a further meeting has been agreed upon by these enthusiastic young people for Sunday, December 7th at 7:30 p.m. Offers of accommodation were received. At the next meeting a decision in favour of an ongoing youth organization is expected. Parents comments upon policy, and enquiries with respect to the group, will be welcomed at any time, and should be directed to the pastor.

Partnership Program in High Gear  
This week the program reaches a new climax in the partnership supper, Service of dedication, and the visitation of the parish on Sunday afternoon. A tremendous vision has been prepared for the parish in 1965+ one which has started and delighted the members of the various committees concerned. This will be presented at the partnership dinner and later to each member of the parish. A big turnout to the Dedication Service on Sunday at 11 a.m. is expected and provision for an overflowing congregation has been made. Plans envisage a visitation of the entire parish during the afternoon. The size of the task encourages the visitors in the expectation that many families, after hearing the details of the parish vision at the dinner and elsewhere, will be present at the Dedication Service to make their own commitment in support of the parish program. This will lighten the task of the visitors, some twenty-five of whom have been training in depth during the week, and thereby ensure that every family is given the opportunity to share fully in the church's program for 1965.

**MARTEL  
-VALLIERE**

A beautiful fall wedding took place on Saturday afternoon, November 7, in St. Albert Catholic Church. Jeannine Fay Valliere, daughter of Mr. & Mrs. Frank Valliere became the bride of Signalman Donald Martel, son of Mrs. Beatrice Martel of Burnaby, B.C. They were united in the holy bonds of Matrimony by the Reverend Georges Chevrier, Pastor. The bride, dressed in a full length gown of white peau de soie, was accompanied up the aisle by her father. She carried a bouquet of tiny red roses.

Anita Valliere, bridesmaid, wore a full length gown of deep rose satin. Sandy Martel of Vancouver, was best man. After the double ring ceremony, the soloist, Mrs. Tellier sang the "Ave Maria" while the bride and groom signed the register.

The ushers were Robert Hughes and Michael Hoscken. Out of town guests came from many parts, such as Quebec, Saskatchewan, Calgary and Vancouver. Several telegrams of well wishes were received.

About 60 guests attended the dinner and reception which was held in the St. Albert Community Hall. Chris Anderson was master of ceremony and gave the toast to the bride. Rev. Father Chevrier spoke to the young couple and wished them much happiness in their future life.

An enjoyable evening of dancing followed the reception.

The bride and groom left for Calgary where the groom is stationed. Presently they plan to take up residence there.
